Mr. Joe Roberts "From Skidrow to CEO"

Before

After

Joe Roberts aka The Skidrow CEO is an expert on resiliency and change. What is most amazing about Joe is that in 1989 he was living on the streets of Vancouver as a homeless skid row addict. With the help of The Salvation Army, and through his own perseverance, determination and his resilient human spirit, Joe pulled himself out of the darkness and despair, to become a highly respected business and community leader.
