DURING THIS GLOBAL PANDEMIC,
EVERYONE NEEDS AN ARMY.

The Salvation Army Centre of Hope Abbotsford

As an organization that has people at the core of our mission, the safety and health of our employees, clients, volunteers and partners is paramount. As one of the largest providers of social services in the province and the country, it is our responsibility to work with government and health authorities to ensure we do our part in containing the virus. Since March 2020 the staff at the Centre of Hope in Abbotsford have responded to the directives set out by The Salvation Army, local and provincial health authorities and the City. ***We want to share with you a snapshot of how we are continuing to serve the most vulnerable in our community.***
